

RocRestorative Positive Experiences Questionnaire

THANK YOU for taking the time to share your experiences with us! This is valuable information for helping your school become an even better place.

We'd love to collect this paper after you're done – that's the best way for us to be sure we capture all of your examples. BUT, if you don't want us to see it, you don't have to hand it in.

QUESTIONS...

Please write examples of times when people built community and relationships here at school.

Please write examples of times when you saw conflict handled well here.
